Thank you for taking part in the Southland Youth Expo 2022.

Your support is crucial to our efforts to provide opportunities for youth to have a better understanding of what is available to them and their peers across our Southland region.

This donation is key to supporting the general costs of organising a large-scale event like this expo. Other than this donation we also request one responsible person to represent your organisation in a few meetings (TBC) to organise the final details of this expo and each involved provider.

Thank you in advance for your contribution.

Here are the ways you can contribute towards the Youth Expo in Southland:
